Lesson 2

Poetry: Repetition poem

WALT: Write a repetitive poem based on ‘The Magic Box’ by Kit Wright

In this lesson we are going to plan and write a repetitive poem.

Watch the Oak Academy lesson and complete the following activities:

https://classroom.thenational.academy/lessons/poetry-write-a-repetitive-poem

1. Start with an Introductory Quiz (Recap of Expanded noun phrases)
   This quiz will help you to check any previous learning on this topic, and re-cap anything you may have forgotten. Once you have completed this, click 'Close Quiz' and then 'Next' below.

2. Click on the play button to start the video. If your teacher asks you to pause the video and look at the worksheet you should:

   Pause the video
   Click "Close Video"
   Click "Next" to view the activity
   Your video will re-appear on the next page, and will stay paused in the right place.
You will be asked to complete the following tasks:

**Task 1:**

Create your own mystical, magical verse.

**Example:**

```
I will put in the box,
The flaming orange feather from an exquisite phoenix,
mysterious footprints from an elusive yeti,
Magical wishes escaping from a fairy’s wand.
```

**Task 2**

Create your own nature verse.
Example:

I will put in the box,
The rumble of thunder on a stormy night,
Sparkling ice crystals from a silver snowflake,
The tip of a fin from a great white shark.

Task 3

Create your own human characteristic verse.

Example

I will put in the box,
A curly lock of hair from a new born baby,
An instant infectious smile,
And an abundance of love.
Task 4:

Independent Task - Write your own poem!

Using your planning, and the work on poetic features we have completed this week, create your own verses using these themes: mythical, nature and human characteristics.

If you wish, you could also create a strange and mysterious verse like Kit Wright’s verse 4.

If you get chance, you could also create, 
Verse 5 describes what the magic box is made of 
Verse 6 describes what you could do in the box.

Good luck!

Don’t forget to be proud of your hard work and share it with us!
